Here is the Most Sweeping Reduction in all Lines of Goods Ever Made by STIERS & COMPANY.

This is a Positive Sale and you can Rely on the Statements made as to Prices.

We anticipate making a change in our business and desire to sell \$5000 worth of merchandise by August 6th, 1898. We realize to do this means a great sacrifice to us and a loss but we want the money by the time stated and No Goods Can Be Sold Only For Cash at the prices named.

Dress Goods.

There is not a piece of Dress Goods that has not been reduced to cost and less. This is a great opportunity when you consider the recent advance in Woolen Goods.

20 Pieces 40 and 44 inch Brocade Suitings in colors at 16%c, they were 25c 17 Pieces 38 inch, All Wool and Silk mixtures at 23 to, were 29 & 39c. 38 and 40 mcb, All Wool Suttings, plain and colors at 25c, manufacturers ask 38 cents. All our Black Goods and fancy weaves reduced in propor tion to above. To realize the truth of this statement come and see for your selves.

Silks! Silks!

We have gone through our Silks and find several remnants, any of which we will sell at less than cost Now is your opportunity if you want Waist, Skirt or full suit in Fancy Silks, Satins, Armures Failles or Grenadines

Wash Dress Goods.

Will not count up very fast at these prices, simply sorted out into three lots: 5 Cents will get material sold at 8 and 10 cents. 61 Cents wil get material sold at 10 and 12c. And all the 12, 15 and 23c goods go at 9c.

Domestics.

There has scarcely been any change in the past year on muslin. The Brown Muslin we offer in this sale for 34 cents please examine closely and see if it is not better than you have been getting at 5c. We know you will be surprised to see the low prices we name on Bleached muslin if you are acquainted with the different brands, for instance:

4-4 Bleached Muslin (First Call) was 5 now 4c. Fitchville or Cabot was 7cnow 5tc. Hills-Lonsdale or Farwell was 8denow 6c. An excellent quality of 9-4 Sheeting a..... 10c.
All grades of Bleached, Half Bleached and Brown Sheeting 8, 9 and 10-4

wide in same proportion.

Made from Dwight Anchor and Lockwood Muslin, none better made. Brown 21 yards wide 21 yards long for 39 cents, were 50c. Bleached 21 yards wide, 21 yards long for 41c, were 53c. A good sized Bleached Pillow Slip Sc,were 11c. A Large, Hemstitched Pillow Slip 15c,were 20c.

These reductions will follow in the same ratio in Hosiery, Corsets, Kid Gloves, Ribbons, Underwear. The remaining Stock of Shirt Waists 25c, 39c, 50c and 75c.

We call especial attention to extra wide 10 and 12 inch Roman Embroideries, perfect goods 50 pieces to select from at 25 CENTS, these goods were 40 and 50c.

Carpets

Best quality, 10 wire Tapestry Brussell Carpet with or without Border, Imperial Velvet Carpet 3 and 6-4 wide, 81 cents for 3-4 wide. Best, All Wool, Extra Superior Ingrain Carpet 55c, was 70c Other equally as good quality but not as good patterns for50e.

Curtains

Hit and Miss Bamboo Curtains 80cwere \$1. Black Bird and Flower design \$1were \$1.50. Yellow, Green and Red design \$1.25were \$1.75. We haven't a large Stock of Lace Curtains but any selections you make you can have them At Cost.

We venture to call your attention to some Goods you will need a little later such as

Capes and Jackets

Now you can buy these for 331-3 per cent discount in this Sale. For instance a garment at \$5.00 you can buy for \$3.33, a saving of \$1.67. One month hence nothing less than the price marked will buy them as cloths have advanced very materially. The same discount applies to shawls, Blankets and Winter Underwear. Why not take advantage of this? We think you will if you but consider a moment.

Shoes

This is a little hard to tell you about on paper as we have such a varied stock and might quote \$3.00 Shoes for \$1.25 and truthfully tell you the price is one-half less than cost, and still we are selling some shoes just that way. And some might not want them at that price as the styles do not please the eye, so in many cases value or wearing qualities does not count for anything if the eye is not pleased.

We have the very latest styles and in either case if you will call and give us an opportunity to show you the price, you will find to be 25 to 40 percent less than others sell at equal values.
